Date: 6/06/2017 (Sprint Waste) (1:03 pm)

Truck # 4611

Trailer # roll off

- **Observation Path**: Southbound on 288 approaching CR 220 to Plantation Lane.
- **Road Conditions**: Light traffic
- **Posted speed**: 65, 60 MPH
- **Drivers' speed**: 66, 64, 62, 64, 65, 60, 63, 57 MPH
- **Following distance**: Good
- **Lane position**: Needs improvement
- **Use of turn signals**: Good
- **Vehicle condition**: Good
- **Summary**: Good job changing lanes due to stalled vehicle on the right shoulder. Driver also did a good job keeping a safe following distance and not going over the posted speed limit. Driver drove on and over the right lane divider 3 times.

Safety Video Observations - July

DATE	TRUCK#	Name	Branch	TRAILER#	TIME	Notes
7/20/2015	4526		East	roll off	4:07pm	"The driver did a good job driving".
7/20/2015	SWL200		OO	D805	4:46PM	Good job overall
7/25/2015	4205		West	roll off	5:42am	Good job overall
7/25/2015	SWL188		OO	ED1089	6:31am	Good job overall - did get too close once, but slowed to give room.
7/24/2015	4217		West	roll off	7:51am	Good job driving.
7/25/2015	4209		West	roll off	9:14am	Good job overall
7/25/2015	4818		West	roll off	9:32am	Good job overall
7/27/2015	4903		East	roll off	4:22pm	Good job overall - needs to be more precise with the timing of his turn signals.
7/6/2015	4611		Freeport	roll off	2:29pm	slightly exceeded speed limit 4 times, drove to close in W. Columbia, left turn signal on too long. Good lane position.
7/6/2015	4905		Freeport	roll off	3:02pm	Good turn signals, good following distance - needs improvement on lane position, and he exceeded speed limit.
7/13/2015	7516		East	roll off	1:23pm	Good following distance and turn signals. Failed to use turn signal when entering I-10 and drove on lane divider several times.
7/20/2015	4522		East	roll off	1:38pm	Good in all respects (following distance, lane position, speed) but used a very late turn signal in his last turn
7/21/2015	4826		West	roll off	7:52AM	Good speed, following distance, turn signals - but went over the right lane divider several times
7/24/2015	4515		West	roll off	1:29pm	Good lane position and turn signals, but slightly exceeded speed limit and drove too close (1 second at 58mph)
7/24/2015	4218		West	roll off	2:57pm	Good job with speed, turn signals, lane position - but did drive too closely to a car on Hwy 6.
7/24/2015	4610		West	roll off	3:22pm	Good job with following distance and lane position. Slightly exceeded speed limit, and had issues with his turn signal - one time it stayed on too long, and another time it wasn't used.
7/24/2015	4206		West	roll off	3:48pm	Good use of turn signals and lane position. Did exceed speed limit slightly and drove too close (1 second at 60mph).
7/25/2015	SWL218		OO	Flatbed	6:20am	Drove too close and ran a yellow light. Good driving in center of lane. It appeared to the observer that the brakes/turn signals need to be checked on the trailer - didn't seem to be working properly.
7/25/2015	4607		West	roll off	8:08am	Good following distance, turn signals. Exceeded speed limit several times and went through an intersection from left lane - which was a turn lane.
7/25/2015	4614		West	roll off	8:28am	Good job overall - except drove too fast on Old Richmond.
7/25/2015	4527		Baytown	roll off	1:05pm	Good job with speed, following distance and turn signals - however, did cross over the yellow lane divider.
7/27/2015	7522		Freeport	roll off	9:14am	Other than going on the right shoulder he drove well in all other areas.
7/13/2015	7527		Baytown	roll off	2:42pm	Exceeded the speed limit the entire observation (up to 77mph in a 65 zone). Also needs improvement with turn signals
7/20/2015	4806		West	roll off	5:18PM	Good following distance, lane position, signals - however, sped up to 10mph over speed limit.
7/24/2015	4813		West	roll off	1:51pm	Good use of turn signals and following distance. However, exceeded speed limit by as much as 10mph, and had wheels over lane divider when a car was approaching.
7/24/2015	4618		West	roll off	2:24pm	Good use of turn signals, and good following distance. However, did exceed speed limit and <i>didn't come to a complete stop at a red light</i> .
7/24/2015	4817		West	roll off	4:43pm	Good speed, following distance, but had issues with turn signals (didn't use them when turning right, and then had a left turn signal on, but didn't turn). Also made a <i>right turn on red without stopping</i> .
7/27/2015	7117		West	roll off	9:59am	Exceeded speed limit (70mph in a 65 zone), tarp unsecured on back right corner, moved a lane without a signal and moved right with a left turn signal on, and drove too close.
7/27/2015	4507		East	roll off	1:17pm	Exceeded speed limit, didn't use turn signal when exiting freeway, poor lane position. Good following distance.
7/27/2015	SWL149		OO	end dump	2:41pm	<i>Ran a red light</i> and changed lanes twice without signaling.

Example of report distributed to Management, including Safety and Operations Managers for every Sprint location.

Video Observations

What do we do with the videos?

- Supervisor watches the video with the driver:
 - Acknowledge positive behaviors
 - Identify any behaviors that need to be improved
- Summarize and publish to organization and use in Driver Safety Meetings for examples
