

MARQUIS
INDUSTRIAL SERVICES

SOFT CRAFTS SMALL BEST IN CLASS

Marquis Industrial Services is an independently owned and operated business that provides exceptional specialty services for asset integrity and construction projects, including facility maintenance, shutdowns, turnarounds, construction projects, and expansion projects. Whether your project is large or small, our experienced team supports customers in a variety of industries, including oil & gas, chemical, LNG, power, pulp & paper, mining, aerospace, and more. The company was formed in 2010 by a group of industry leaders with a vision of bringing back a sense of family to the workplace, taking pride in its people, work, and the communities in which we live and operate.
